

Recreational Vehicle Temporary Residential Use Permit

Guidelines for Temporary Residential Use of a Recreational Vehicle

Leesville City Code

Note: This permit is to allow compliance with the underlined section of the code below.

91.565 Occupancy of Recreational Vehicles. Recreational vehicles may be placed for temporary residential occupancy at one location as an accessory use only in any zone without permits for a period not to exceed 180 days. One 180-day extension is allowed for which a placement permit is required. Recreational vehicles may be placed for temporary residential occupancy during the construction of a permitted dwelling for a period not to exceed one year. Recreational vehicles may be used as a primary residence only within mobile home or manufactured dwelling parks and resource zones, subject to appropriate land use approval required by other sections of the Development Code and applicable building and septic permit requirements.

1. **Temporary RV Placement Rules:** This permit authorizes a single recreational vehicle to be occupied for living purposes.
2. This permit expires on _____.
After _____, no recreational vehicles shall be occupied.
3. This permit constitutes the **temporary use** for a recreational vehicle placement period.
4. This permit is valid only so long as the septic system on the property is not failing.
5. Sewage generated in the RV, both gray water and black water, shall go into an approved RV dump station, unless approval has been obtained to connect to the septic system by permit # _____, and approved by the public works director.
6. No Chemicals may be used in the RV if the sewage goes into the septic system.
7. Failure to comply with these conditions or with other provisions of the City of Leesville Development Code may result in the revocation of this permit and/or civil citation or other enforcement action.

If you have any questions, contact the Planning Department at (337) 404-4078.

For septic system questions, contact the Vernon Parish Department of Health at (337) 238-6410
