To Whom It May Concern,

The City of Leesville is beginning our annual drive to raise funds which will help support the Leesville Recreation Complex.

As I'm sure you're aware, the primary user of our fields is the Dixie Youth Baseball / Softball League for their games during the summer. But what you might not know is that we also provide the home fields for Faith Training Academy and serve as the host field for the Vernon Parish Church Incrediball League.

This month, we are wrapping up a very successful two-month season for a junior-high softball league hosted by Data Driven Athletics of Leesville. In addition, the city is working hard to bring travel ball leagues and other weekend tournaments to the recreation complex. As you can see, activity is already increasing and that growth is expected to continue as we make more and more improvements to the site.

As always, there is no cost to practice on the fields and many people use them on a daily basis. However, to help defray the maintenance costs, the city must charge these leagues and tournament organizers a usage fee. You and/or your business can help us keep these fees at a minimum level.

At this time, we are asking sponsors to donate just \$100 each, plus the cost to purchase your own banner. The banners will be hung for a period of twelve calendar months on one of the outfield fences at the Leesville Recreation Complex, allowing them to be seen by a huge number of sports fans. In addition, your logo and a link to your website will be posted on the Leesville Recreation Complex page of our website at www.LeesvilleLA.gov.

Your sponsorship of this facility would greatly assist our efforts to improve the park and help to make the upcoming year a success for many families who live in our community.

This is an open invitation – there is no time limit. Sponsorship can begin at any time, provided there is space, and will end twelve months later. However, banner placement is assigned on a

first-come, first-serve basis, so if you have a preference, please give us a call today at (337) 404-4078. We'll be happy to answer any questions you might have.

Sincerely,

A handwritten signature in black ink that reads "Grant Bush". The signature is written in a cursive style with a large, stylized "G" and "B".

Grant Bush

Director of Land Use Zoning / Economic Development / Community Planning
City of Leesville
